

# R and Python Weekly Workshop

**DATE**  
Every Monday

**LOCATION**  
CC438 Roach/ Markey  
Cancer Center

**TIME**  
12:00 - 1:00 PM

**Hunter Moseley, PhD**

*Co-Director, CCTS Biomedical informatics Core*  
hunter.moseley@uky.edu

**Robert Flight, PhD**

*Senior Research Associate, Markey Cancer Center*  
robert.flight@uky.edu

Join Dr. Moseley & Dr. Flight in a weekly workshop where expert R and Python scientific programmers help troubleshoot and critique code that analyzes biomedical datasets.

Bring a laptop with the problematic code and data.
